Honorable Peter W. Rodino, Jr.
Committee on the Judiciary
House of Representatives
Washington, D. C. 20515

Dear Mr. Chairman:

This is in response to your request for our views on [] which would waive for [] the time limitations for the submission of a claim for disability retirement under the Civil Service Retirement system.

It is entirely possible that [] could have qualified for disability retirement at the time of separation had he submitted a claim. It appears that there are two reasons [] did not apply for disability retirement at that time: a) he did not believe he was disabled, and b) he was deeply interested in service abroad possibly with some other Federal agency.

The enactment of [] would result in an annuity from the Civil Service Retirement Fund which is administered by the Civil Service Commission. However, to the extent that the views of this Agency have a bearing on the outcome, we would have no objection to the favorable consideration of the bill.

The Office of Management and Budget has advised that from the standpoint of the Administration's program there is no objection to the submission of this report.

Sincerely,

W. E. Colby
